

FROM HARRISBURG.

HARRISBURG, June 25, 12½ o'clock A. M.—At ten o'clock last night a Confederate operator attached his instrument to the wires at McConnellsburg, and opened communication with Pittsburg. He told a long story about Jenkins, and what he intended doing. No reliance is placed in the statement.

It is reported and believed that Milroy has been relieved of his command.

It is known here to a certainty that twenty regiments of Confederate infantry passed through Chambersburg to-day. They were moving in this direction, and undoubtedly consisted of Ewell's Corps (late Stonewall Jackson's).

Important events are likely to transpire to-morrow.

BLOODY RUN, PA., June 24.—Imboden's whole force is concentrated at Hancock.

The Federal forces evacuated McConnellsburg this evening, which was occupied by Confederate Cavalry. The operator left. Things look as if lively work was ahead in this region.

The new Postal Law goes into effect on Wednesday next, the 1st of July. The postage rate for letters is the same as formerly, three cts; city and drop letters two cts. postage. Newspapers, weekly, per quarter, five cts; six times per week, thirty cts. per quarter.

A new monthly magazine, devoted solely to the interests of the young gentlemen and ladies who have imbibed the rage for postage-stamp collecting, may certainly pass for a literary curiosity. It is entitled the Stamp Collector's Magazine, illustrated. The first number contains articles on "The Rise and Progress of Postage Stamps," by Dr. J. E. Gray, of the British Museum; "Stamps Lately Issued," "Postal Chat-Chat," Reviews of new works on Postage Stamps," etc.

On the 9th instant, one of the grandest entertainments ever witnessed in England was given to the Prince and Princess of Wales, at the Guildhall, London, in honor of the presentation of the freedom of the city of London to the Prince.

One of the largest pieces of coal ever brought to Boston is in the image and form of a man—one of the aborigines of the country. It is of full size, as large as life, and complete from head to toe. It is the work of a miner, who wrought it from a single rock of coal, which was taken out of a vein nine feet thick in one of the coal mines in Pennsylvania.

The Confederate Privateer Tacony started captures about a fortnight ago, and commenced off the Capes of the Chesapeake. She seems to have kept steadily along the coast in a straight line to Nantucket, destroying several vessels,—and when last heard from she had entered the cruising grounds of the Massachusetts fishermen. The Tacony, during her brief career, thus far, has destroyed fourteen New York and New England ships and schooners.

The McConnellsburg and Mercersburg, Pa., papers say that the Confederates have carried off numbers of horses and cattle from those towns and their neighborhoods.

Gen. McClellan is at West Point, where also Gen. Stoneman and General Scott are staying.

VESSELS BURNED BY THE TACONY.

HYANNIS, CAPE COD, June 25.—A well-fleet schooner arrived last night. She brings the crews of the fishing schooners Marengo, Elizabeth Ann, Rufus Choate, and Ripple, all burned by the Tacony. They report that on Sunday last the Tacony burnt the ship Byzantium from London, for New York, and the bark Goodspeed, from Londonderry for New York. The crews were all sent to New York in the schooner Florence. The Tacony has burned seventeen vessels since the 12th inst.

WASHINGTON, June 25.—About five hundred Confederate prisoners embarked to-day for Fortress Monroe to be exchanged.

A woman named Catharine McCoy has just been sentenced to be hung at St. Louis for the murder of a little girl five years old. The details of the murder are shocking.

At the suggestion of Com. Stribling, the U. S. sloop-of-war Saratoga (twenty guns) will hereafter cruise off the Delaware capes, and defend the mouth of the river.

The following named persons are vice-presidents of the old American Peace Society: Hon. Charles Sumner, Hon. Gerrit Smith, Hon. John Jay, Rev. Dr. F. Wayland.

PUBLIC SALE OF POTOMAC LANDS AND FISHERY.—By virtue of a decree of the Circuit Court for Prince George's County, sitting as a Court of Equity, the subscriber, as Trustee, appointed by the said decree, will expose to public sale, on Tuesday, the 14th day of July, 1863, at 12 o'clock M. (if fair, if not the next fair day thereafter,) at the Bellemonte House, on Broad Creek, in Prince George's County, Maryland, near the premises, all the right, title and interest of Rozier T. Daingerfield, of in and to a certain portion of the Bellemonte estate, containing THREE HUNDRED AND FIFTEEN ACRES, more or less, and known as the "INDIAN QUEEN." The above mentioned property, is situated in Prince George's County, Md., on the Potomac river, about three miles below Alexandria, Va., and eight miles from Washington, D. C., and between Rozier's Bluff and the mouth of Broad Creek. This land is of the highest quality of Potomac Bottom, and admirably suited to the growth of Tobacco and Garden Stuff, and is heavily timbered. There is also a FISHERY ON THE PREMISES, well known as the "Sandy Bar Fishery"—one of the best Shad Fisheries on the Upper Potomac. There are TENANTS' HOUSES, and BARNs for curing tobacco and storing grain, and other conveniences.

The fertility of the soil of this valuable estate, its proximity to market, and its excellent Fishery and timber, make it a most desirable investment.

The above most desirable property will be offered as a whole, without the Fishery, or the Land and Fishery together, or in two divisions—one division containing one hundred and seventeen, and the other one hundred and ninety-two acres, more or less—each having a river front—the Fishery to be included in one of the divisions or not, as may be desired.

Possession to be given on the first day of January, 1864.

TERMS OF SALE, AS PRESCRIBED BY THE DECREE, ARE:—"One thousand dollars in cash on the day of sale, and the residue in equal instalments of one, two, three, four and five years from the day of sale—the whole to bear interest from the day of sale, and the payment thereof to be secured by the bonds of the purchaser, with a surty or surties, to be approved by the Trustee.
